

Veterinary Referral Request for Chiropractic Care

Dr. Amanda Jenkins, DC

P: 817-476-7850 F: 817-617-7500

allkindsofspines@gmail.com

Your client, identified below, has requested that I provide chiropractic care for their animal, also identified below. Texas law requires that I obtain a referral from the animal's veterinarian before providing this care. Obtaining this referral is the purpose of my communication with you today.

In order to provide the referral that your client has requested, please:

-  complete the information below the dotted line and check it for accuracy
-  sign this form, and
-  return it via **e-mail at allkindsofspines@gmail.com** or fax at **817-617-7500**

I am certified in Musculoskeletal Manipulation (AMSM) by American Chiropractic Veterinary Association. I hold TX Chiropractic License #13489. If you need any additional information, please reach the office at 817-476-7850.

Thank you very much in advance for your referral. I look forward to working with you and providing the very best in chiropractic care for your client.

I, _____ (veterinarian name), in compliance with Rule 573.14, have performed the following:

1. Established a valid veterinarian/client/patient relationship.
2. Examined the animal(s) to determine animal chiropractic is not contraindicated.

*If there is a relative contraindication such as specific spinal segments or extremities that have been surgically repaired that should not be treated with chiropractic care but do not affect care for the rest of the body, please list it here.
